Gary,
Please update the San Jacinto Fact Sheet. Thanks CAS

Subject: Information for Carl

Carl will be traveling with Sam to the Chevron meeting next week and wanted information on some sites that we want to provide updates to Sam.

For the following sites, he want to know the current status and what is coming up next (where are we and where are we going).

Half a page or Fact Sheet would be enough.

Tar Creek
Jackpile
Homestake
San Jacinto
Other sites/issues
